Fleur Jansen

Finance Analyst

SUMMARY

Analytical finance professional supporting FP&A and investment decision-making. Skilled in financial modeling, variance analysis, and Excel; limited exposure to Python.

EXPERIENCE

Finance Analyst — LogiStream Operations 2020-Present

- Produced monthly P&L reports for a €150M business unit, highlighting cost-saving opportunities of €2.4M annually.
- Streamlined the budgeting process using Excel Power Query, reducing cycle time by 30%.

Junior Finance Associate — EuroInvest Holdings 2018-2020

- Assisted in due diligence for three M&A transactions (>€500M total).
- Maintained the fixed-asset register ensuring compliance with IFRS.

EDUCATION

B.Sc. Business Economics
Erasmus University Rotterdam · 2018
