Marta Ruiz

Operations Lead

SUMMARY

Operations professional with 6 years of experience optimizing supply chain and logistics processes for consumer goods and luxury brands.

EXPERIENCE

Operations Lead — Fiat Chrysler Automobiles (Italy) 2021–Present

- Redesigned warehouse layout, cutting picking time by 22% and increasing throughput by 15%.
- Implemented a vendor-performance dashboard (Power BI) improving on-time delivery from 88% to 95%.

Operations Specialist — Luxottica Group 2018–2021

- Streamlined the order-to-cash cycle, reducing DSO from 45 to 38 days.
- Led cross-functional Kaizen events that saved €1.2M in annual operating costs.

EDUCATION

M.Sc. Industrial Engineering

Politecnico di Milano · 2018
