Sophie Bernard

UX/UI Designer

SUMMARY

Creative designer passionate about crafting intuitive interfaces for consumer-facing apps, with 3 years of agency and in-house experience.

EXPERIENCE

UX/UI Designer — BlaBlaCar

2021–Present

- Redesigned the mobile booking flow, increasing completed trips by 18%.
- Created a design system adopted across three product squads, ensuring visual consistency.

Junior UX Designer — Deezer

2019–2021

- Conducted usability tests on the podcast player, leading to a 15% rise in session length.
- Produced high-fidelity prototypes for a new playlist feature that launched in Q4 2020.

EDUCATION

B.A. Interaction Design

École des Gobelins · 2019
