

Elise van den Berg

Junior Data Analyst

elise.vandenberg@example.com · +31 20 9876 5432 · Amsterdam, Netherlands

SUMMARY

Junior Data Analyst with a solid foundation in statistics and SQL, experienced in creating actionable dashboards and supporting data-driven decision making.

EXPERIENCE

Data Analyst Intern — InsightLogic BV

Sep 2022 – Aug 2023

- Built monthly sales performance reports in Tableau, reducing manual effort by 20 hours per month.
- Cleaned and transformed raw CSV data using SQL and Excel VLOOKUP; performed trend analysis.
- Assisted in A/B test analysis for marketing campaigns, providing insights that improved click-through rates by 3%.

Student Research Assistant — University of Amsterdam

Sep 2021 – Jun 2022

- Conducted statistical analysis on survey data using R and SPSS; co-authored a conference poster.
- Presented findings at the university's annual data science symposium.
