SUMMARY

Junior UX/UI designer with a strong foundation in user-centered design and prototyping. Passionate about creating intuitive interfaces for SaaS products.

EXPERIENCE

UX/UI Designer — CreativeForge Studio Sep 2022 – Present

- Conducted usability tests for a B2B dashboard, leading to a 22 % increase in task completion rate.
- Created high-fidelity mockups in Figma for a new client onboarding flow.
- Collaborated with front-end engineers to implement design system components.

Design Intern — PixelWave Agency Feb 2022 – Aug 2022

- Assisted in redesigning a travel booking website, delivering wireframes and style guides.
- Produced icon set used across marketing materials.

EDUCATION

B.Des. Interaction Design

Politecnico di Milano · 2022
