

Piotr Kowalski

Operations Specialist

piotr.kowalski@example.com · +48 600 987 654 · Warsaw, Poland

SUMMARY

Operations enthusiast skilled in process improvement, logistics coordination, and ERP systems, with a focus on delivering measurable efficiency gains.

EXPERIENCE

Operations Specialist — GlobalLogix Poland

2022-Present

- Led a warehouse layout redesign that increased picking efficiency by 19%.
- Implemented Kanban board in Jira to track SLA compliance, reducing order-to-ship time from 48h to 30h.
- Trained 30+ warehouse staff on new SOP, achieving 98% adherence within two months.

Operations Intern — TransEurolink

2020-2021

- Assisted in coordinating cross-border truckload shipments, maintaining 99.5% on-time delivery.
- Created Excel macros that automated carrier rate comparisons, saving 5 hrs/week.
